

PULA, HRVATSKA
21.03. - 23.03.2025.

PROGRAM

**Young experts;
a new era of medicine!**

2. ŠKOLA RACIONALNE I SIGURNE
FARMAKOTERAPIJE
s međunarodnim sudjelovanjem
2nd SCHOOL OF RATIONAL AND SAFE
PHARMACOTHERAPY
with international participation

Poštovane kolegice, poštovani kolege, dragi prijatelji,

osobita nam je čast zaželjeti Vam dobrodošlicu na "2. Školu racionalne i sigurne farmakoterapije s međunarodnim sudjelovanjem" u Puli od 21. do 23. ožujka 2025. godine u organizaciji Hrvatske ljekarničke komore (HLJK).

Kongres ima za cilj promoviranje racionalne i sigurne farmakoterapije, te poboljšanja kvalitete zdravstvene skrbi optimizacijom suradnje između liječnika i farmaceuta u primarnoj i specijalističkoj zdravstvenoj zaštiti, u javnom i privatnom zdravstvenom sektoru.

Kongres je usmjeren prema specijalistima i specijalizantima raznih grana interne medicine, farmakologije, kliničke farmacije, liječnicima opće prakse, farmaceutima u bolničkim i javnim ljekarnama i studentima završnih godina medicine i farmacije.

TEMATSKA PODRUČJA:

- Farmakoterapija hematoloških bolesti
- Nove spoznaje u liječenju solidnih tumora
- Novosti iz kliničkih ispitivanja u Hrvatskoj
- Odabrane teme iz gastroenterologije

Veselimo se vašem sudjelovanju i zajedničkom doprinosu uspjehu kongresa.

S poštovanjem,
Organizatori

doc.dr.sc. Marko Skelin,

ZATVARANJE - ZAVRŠNA RIJEČ

Dear Esteemed Colleagues and Friends,

It is our distinct honor and pleasure to welcome you to the 2nd School of Rational and Safe Pharmacotherapy with International Participation in Pula from March 21 to March 23, 2025. This Congress is organized by the Croatian Chamber of Pharmacists (CCP).

The Congress's goal is to promote rational and safe pharmacotherapy and improve the quality of medical care by optimizing the collaboration between physicians and pharmacists.

The Congress is aimed towards specialists and students specializing in various branches of internal medicine, pharmacology, clinical pharmacology, primary doctors, and pharmacists in both hospital and public pharmacies.

THE TOPICS COVERED:

- Pharmacotherapy of Hematological Diseases
- New Insights in the Treatment of Solid Tumors
- Updates from Clinical Trials in Croatia
- Selected Topics in Gastroenterology

We look forward to your participation and our common contribution to the success of the Congress.

Respectfully,
The organizers
